

DELTA

TRANSFORMATEURS
TRANSFORMERS

The offer includes dry-type distribution transformers, power transformers, as well as the specialized EVE and Hexavolts ranges. Designed to ensure performance, safety, and durability, they adapt to all environments.

delta@desdowd.qc.ca

Maddox

Maddox sells, rents, repairs, and purchases transformers. Their product range includes cast-coil transformers as well as single-phase pad-mounted and pole-mounted units.

maddox@desdowd.qc.ca

flo

Charging solutions for electric vehicles meeting multiple market segments :

- Residential and multi-unit dwellings
- Workplace and fleet
- Public charging (destination, transit, and fast charging)

flo@desdowd.qc.ca

DRACON

Gestion d'énergie

Programmable energy management system for electric vehicles, plug-in hybrids or any other loads.

dracon@desdowd.qc.ca

Caloritech
Ruffneck
Fastrax
Norseman

powerblanket
ReadyTrace
Cata-Dyne

A global leader in process heating and tracing.

thermon@desdowd.qc.ca

Mersen

Manufacturer of electrical infrastructure protection solutions. Offering a range of high-quality fuses, surge protectors, and a wide selection of distribution blocks.

mersen@desdowd.qc.ca

molex

Molex offers a wide range of connector solutions and cable assemblies for the electronic and electrical components market.

molex@desdowd.qc.ca

KLEIN TOOLS

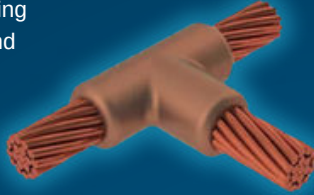

Providing professionals with tools and solutions that enable the highest levels of performance and safety.

klein@desdowd.qc.ca

Exothermic welding and grounding systems, lightning protection, and overcurrent protection.

erico@desdowd.qc.ca

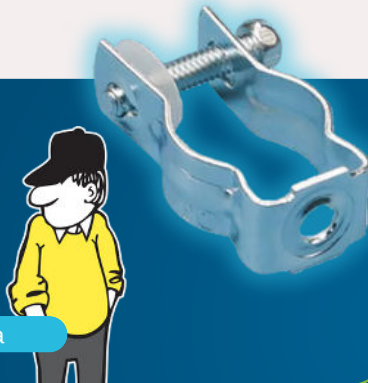

Innovative solutions for connecting electrical components: transformers, motor control centers, generators, and UPS systems.

eriflex@desdowd.qc.ca

Quality support and fastening solutions that are safe, quick, and easy to install.

caddy@desdowd.qc.ca

Manufacturer of mechanical, compression, and grounding connectors.

ilSCO@desdowd.qc.ca

Manufacturer of power tools, cable management products, and professional equipment.

gardner@desdowd.qc.ca

A recognized leader in the design and manufacturing of lighting products and electrical construction and maintenance products for over 40 years.

bergen@desdowd.qc.ca

A leader in innovative equipment, signaling, and communication systems that ensure the safety of workers, first responders, and communities.

federalSignal@desdowd.qc.ca

A renowned manufacturer of electrical fittings and solutions combining innovation with ease of installation.

arlington@desdowd.qc.ca

DESDOWD

Sales agent of electrical products for over 55 years !

1-888-DESDOWD
desdowd.qc.ca

Quebec-based manufacturer of commercial, industrial, and custom enclosures.

bel@desdowd.qc.ca

Design and manufacturing of industrial and commercial LED lighting solutions.

rab@desdowd.qc.ca

Manufacturer of LED lighting products. Design focused on smart, innovative, and emerging technologies.

dals@desdowd.qc.ca

Global leader in LED technology for the industrial market. Suitable for classified and non-classified environments.

dialight@desdowd.qc.ca

LED roadway and area lighting.

leotek@desdowd.qc.ca

Provides innovative solutions for the Internet of Things (IoT) and custom engineering services.

dimonoff@desdowd.qc.ca

Major manufacturer of control cells and accessories for outdoor lighting applications.

precision@desdowd.qc.ca

Their mission: Making electricity safe. A vast portfolio of cutting-edge products enables monitoring and ensuring electrical safety across all industries.

bender@desdowd.qc.ca

MegaResistors

Specialized in the design, manufacturing, and application of power resistors.

megaresistors@desdowd.qc.ca

ANAMET

Manufacturer and supplier of Anaconda™ conduit systems, Firetech™ thermal protection systems, and Ana-Quick™ nylon conduit systems.

anamet@desdowd.qc.ca

Wheatland Tube

A DIVISION OF ZEKELMAN INDUSTRIES

Manufacturer of steel, rigid steel, and aluminum conduits and accessories.

wheatland@desdowd.qc.ca

Atkore

FRE Composites

Design, engineering, and manufacturing of fiberglass conduits and conduit accessories.

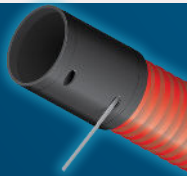

fre@desdowd.qc.ca

dura-line

An Orbia business.

Manufacturer of high-density polyethylene (HDPE) conduit for underground low- and medium-voltage cable installation.

duraline@desdowd.qc.ca

VITALink
Circuit Integrity Cable

Cables with 2-hour fire resistance for power, control, lighting, and fire alarm circuits to ensure uncompromised integrity.

vitalink@desdowd.qc.ca

ROBROY

A leader in protecting electrical infrastructures in the most demanding environments.

robroy@desdowd.qc.ca

TCT Trans Canada Traffic Inc.

The ultimate solution for wiring theft protection.

transcanada@desdowd.qc.ca

PMMI

INTERNATIONAL

Arc flash protective clothing, dielectric gloves, insulated tools, and accessories.

pmmi@desdowd.qc.ca

Marina Electrical Equipment

Manufacturing of the highest-quality weather-resistant electrical equipment for the marina industry.

marina@desdowd.qc.ca
