DES DOWD

LIGHTING

RAB[®]

DESIGN

Design and manufacturing of industrial and commercial LED lighting solutions at the forefront of innovation. With a focus on design, ease of installation, and affordability, our lighting solutions enable contractors to install fixtures on job sites quickly and efficiently.

rab@desdowd.qc.ca

dals

DALS creates stylish and smart lighting solutions that combine innovation and quality. High-performance, aesthetic, and reliable products designed to illuminate projects with style.

dals@desdowd.qc.ca

LEOTEK[®]

Global manufacturer of street and area lighting solutions. Recognized for the reliability, performance, and durability of its lighting solutions.

leotek@desdowd.qc.ca

PRECISION

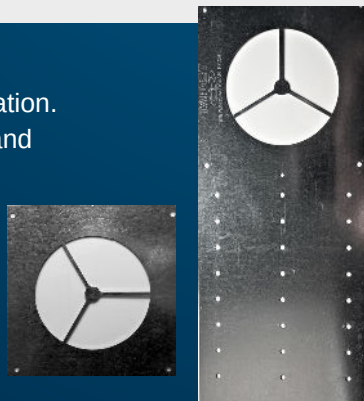

Manufacturer of photocells and lighting accessories. Precision develops products that deliver unmatched quality, performance, and efficiency.

precision@desdowd.qc.ca

TARGET

Innovative products for recessed lighting installation. Designed to save time and improve workmanship.

target@desdowd.qc.ca

DELTA eVe

TRANSFORMATEURS
TRANSFORMERS

énergie pour véhicule électrique

Transformers designed for electric vehicle charging infrastructure, enabling harmonic mitigation, adapting to load variations, and offering extended service life.

delta@desdowd.qc.ca

flo™

Residential electric vehicle charging solutions. Access to thousands of public charging stations across North America, with the ability to control your home charger directly through the FLO app.

flo@desdowd.qc.ca

TECHNOVE

TechnoVE designs and manufactures robust, reliable electric vehicle charging stations in Quebec, built to withstand Canadian climates.

technove@desdowd.qc.ca

rve

Energy management solutions and systems enabling the addition of electric vehicle charging stations in residential and multi-unit settings.

rve@desdowd.qc.ca

Design and manufacturing of electrical distribution cabinets for electric vehicle charging infrastructure.

valid@desdowd.qc.ca

Marina
Electrical
Equipment

Manufacturing of premium weather-resistant electrical equipment for the marina industry.

marina@desdowd.qc.ca

DELTA

TRANSFORMATEURS
TRANSFORMERS

Comprehensive range of dry-type distribution transformers for power, commercial, and renewable energy applications. Proud manufacturer of Hexavolt technology. Designed to save space while ensuring performance, safety, and durability.

delta@desdowd.qc.ca

Maddox

Manufacturer of oil-filled transformers, Maddox sells, rents, repairs, and purchases equipment. The product line includes cast coil transformers, as well as single-phase units for pad-mounted and pole-mounted applications.

maddox@desdowd.qc.ca

KOHLER | Generators

Complete backup generator solutions for residential and commercial applications, ranging from 10 kW to 150 kW, delivering superior performance and quality.

kohler@desdowd.qc.ca

Arlington

Practical and innovative solutions for safe and fast connections. Suitable for indoor and outdoor installations, including audio-video and camera systems.

arlington@desdowd.qc.ca

nvent | CADDY

Innovative system of high-quality supports and fastening solutions that are safe, fast, and easy to install. A trusted reference for seismic solutions. Caddy also owns Rod Lock technology, delivering unmatched efficiency.

caddy@desdowd.qc.ca

KLEIN TOOLS

Complete range of hand tools, equipment, and solutions for professionals, meeting the highest standards of performance and safety.

klein@desdowd.qc.ca

nvent | GARDNER BENDER

Complete range of hand tools, cable management products, and professional equipment for electricians.

gardner@desdowd.qc.ca

PMMI INTERNATIONAL

Arc flash protective clothing, dielectric gloves, insulated tools, and accessories.

pmmi@desdowd.qc.ca

Wide range of cabinets, pedestals, and power distribution units for parking lots, campgrounds and RVs, utilities, lighting, marinas, and rooftops.

valid@desdowd.qc.ca

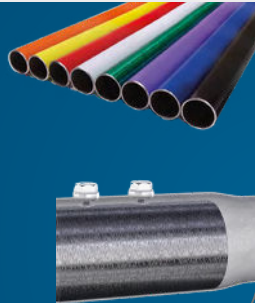

Conduits and fittings for the protection and management of electrical wiring in the most demanding environments. Manufacturer of the Anaconda™ brand and certified products.

anamet@desdowd.qc.ca

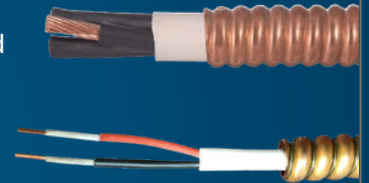

Complete range of steel, rigid steel, and aluminum conduits and fittings. Available in multiple colors. SmartSet™ technology features an integrated set-screw coupling for easy installation.

wheatland@desdowd.qc.ca

2-hour fire-rated cables for power, control, lighting, and fire alarm circuits.

vitalink@desdowd.qc.ca

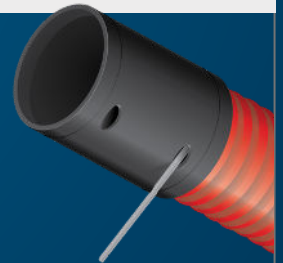

Complete range of fiberglass conduits and accessories for piping and conduit systems in demanding environments.

fre@desdowd.qc.ca

HDPE conduits, fittings, and accessories for the underground installation of low- and medium-voltage cables, as well as telecommunications.

duraline@desdowd.qc.ca

PVC-coated galvanized steel conduits and fittings, non-metallic enclosures, and original Korn's clamps.

robroy@desdowd.qc.ca

The ultimate solution for wire theft protection.

transcanada@desdowd.qc.ca

DES DOWD

INDUSTRIAL

Caloritech
Ruffneck
Fastrax
Norseman
powerblanket
ReadyTrace
Cata-Dyne

Thermon delivers high-performance thermal solutions for the energy and industrial sectors, including hazardous areas.

thermon@desdowd.qc.ca

MERSEN

Manufacturer of electrical infrastructure protection solutions. Offering a range of high-quality fuses, surge protection devices, and distribution blocks.

mersen@desdowd.qc.ca

molex

Molex offers a wide range of connector and cable assembly solutions for the electronic and electrical components market.

molex@desdowd.qc.ca

nvent | ERICO

High-quality products providing reliable end-to-end protection for grounding, bonding, surge protection, and lightning protection.

erico@desdowd.qc.ca

nvent | ERIFLEX

Innovative solutions for connecting electrical components, including transformers, motor control centers, generators, and UPS systems.

eriflex@desdowd.qc.ca

nvent | ILSCO

Manufacturer of mechanical connectors, compression connectors, and grounding solutions.

ilsco@desdowd.qc.ca

FEDERAL SIGNAL

Design of mass notification and signaling systems ensuring rapid and reliable alert dissemination to protect people and manage emergency situations.

federalsignal@desdowd.qc.ca

Dialight

Global leader in LED technology for the industrial market. Designed for both hazardous and non-hazardous environments.

dialight@desdowd.qc.ca

Valid offers generator connection solutions that enable simple, safe, and reliable connection to a building's power supply, both indoors and outdoors.

valid@desdowd.qc.ca

MegaResistors

Specializing in the design, manufacturing, and application of power resistors.

megaresistors@desdowd.qc.ca

BENDER

Global leader in ground fault protection and electrical safety for over 75 years.

bender@desdowd.qc.ca
